

Dickenson County Public Schools  
2024-2025 PreK Registration

It's time for PreK Registration! SCAN THE QR CODE below to pre-enroll your child for our voluntary four-year-old program. Within two to three weeks after completing the online pre-enrollment form, you will receive a PreK Enrollment Packet and information about your appointment to finalize your child's registration.

Children must reach their fourth birthday on or before September 30, 2024 to be eligible for the program. All parents of four-year-olds are encouraged to pre-enroll their child, regardless of household income or their child's developmental skills, as availability may become limited.

Scan the QR code or Click the Link below now to get started! If you have any questions, please contact Deirdre Deel, Title I/Preschool Coordinator at 276-926-4643.
