

Availability of Postsecondary Education and Employment Data

Students and their families are encouraged to use a variety of sources to select a college and major. The State Council of Higher Education for Virginia (SCHEV) provides a source for this information. Please use the following link to access the data. <http://research.schev.edu/findacollege.asp>

Students and parents may also find the information and resources at SCHEV useful in planning for college and careers. SCHEV has created an institutional profile for each Virginia public college and university and for each independent college or university participating in the Virginia Tuition Assistance Grant Program. This profile is available at <http://research.schev.edu/iprofile.asp?UID=>

Guidance counselors at Ridgeview High School will gladly assist students and families in college and career planning and in accessing this information. Please contact Ridgeview High School guidance department at 276-835-1600.
