

PRINCIPAL SUBSTITUTES/DESIGNEES

The Dickenson County School Board designates teachers with an endorsement in administration and supervision to serve as substitute principals when needed, contingent upon the willingness of the identified teachers to serve in an administrative capacity. The Dickenson County School Board designates the Guidance Counselor in the school to serve as the principal substitute if one of those identified teachers is not available. It shall be the responsibility of the superintendent to ensure that this policy is complied with.

Adopted: September 26, 2007
