Haydee L. Robinson, Superintendent

July 11, 2017

Dear Parents/Guardians of Students who are home schooled:

According to **Section 22.1-254.1** of the Code of Virginia relating to home instruction, annual notification of **intent** to educate children at home shall be provided by the parents or guardians to the Superintendent by **August 1st** prior to the opening of school. Parents or guardians must also submit evidence that the children who have received home instruction for the 2016-2017 school year have achieved an adequate level of educational growth as determined by the Superintendent.

I am enclosing the **Notice of Intent to Provide Home Instruction, Program of Study for Home Instructed Students forms and information regarding Virtual Virginia**. If you choose to home school your child or children for the 2017-2018 school year, please complete this form and send it to me, along with evidence of educational progress for the 2016-2017 school year and verification of enrollment in one of the state approved correspondence schools (if that is the option you choose). **Verification of enrollment and documentation of adequate educational growth must be received prior to the August 7th school opening date.** Your application will then be considered for approval by the Superintendent.

Please call (276) 926-4643 if you have questions.

Sincerely,

Philip A. (Tony) Robinson
Home School Coordinator
